Part II: Purpose and Mechanics	
SB 208 proposes to reduce the statutory interest rate on judgments. Currently rate is set at 12% interest, while the bill aims to reduce it to 6%.	y, the interest
Part III: Fiscal Explanation, Bill Provisions, and Estimated Co	ost
The exact financial impact of this bill is difficult to estimate. Of course, interreceived depends on the disposition of suits which depend on a wide variety Currently, a local government that loses a judgment would have to pay 12% whereas under the bill it would only have to pay 6%. Conversely, a local gov wins a judgment would receive a 12% interest rate on that judgment whereas bill they would only receive 6%.	of factors. interest vernment that
